**Thiele Receives Gun Sense Candidate Distinction From  
Moms Demand Action**

**HEBRON, Conn., May 23, 2018** – Democratic candidate Tiffany V. Thiele has been awarded the Moms Demand Action Gun Sense Candidate distinction, in recognition of her commitment to common sense gun safety legislation.

“I’m honored by this distinction,” said Thiele. “I support the Second Amendment, and I believe that common sense gun safety laws help protect the rights of gun owners while making our communities and schools safer. I was pleased to see that a ban on bump stocks passed the state legislature this year, and, if elected, I’ll fight for other common sense reforms that Americans support, like keeping ghost guns out of the hands of criminals and eliminating dangerous loopholes that put school children and families at risk.”

[Moms Demand Action for Gun Sense in America](#) is a grassroots movement of Americans fighting for new and stronger solutions to lax gun laws and loopholes. Since its inception after the tragedy at Sandy Hook School, Moms Demand Action has established a chapter in every state of the country and, along with Mayors Against Illegal Guns and the Everytown Survivor Network, is part of [Everytown for Gun Safety](#), the largest gun violence prevention organization in the country with more than four million supporters.
